

# How to Mediennetzwerk.NRW-App

(30. November 2020)

We are pleased that you want to use the new Mediennetzwerk.NRW app.

These short instructions are intended to help you with the registration process and when booking tickets.

The Mediennetzwerk.NRW app was programmed for iOS and Android devices.

Feedback and suggestions: [info@medien.nrw](mailto:info@medien.nrw)

Technical support: [app@medien.nrw](mailto:app@medien.nrw)

## CHANGE PROFILE

Of course, you can change the data in your profile at any time and exchange your photo. You can also view your previous matches in your profile.

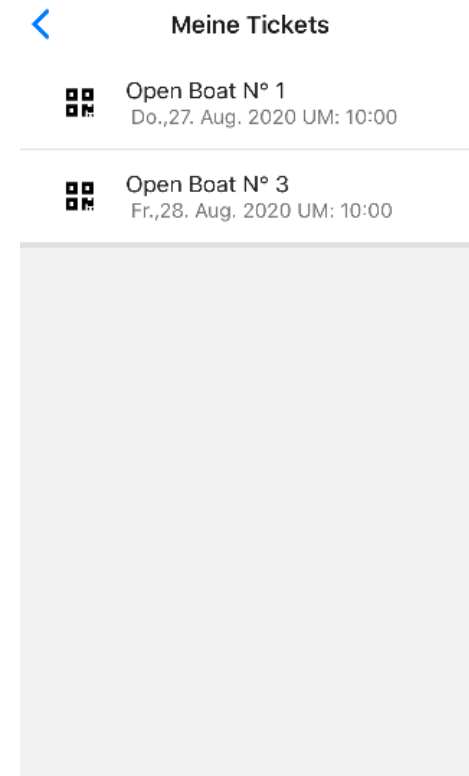

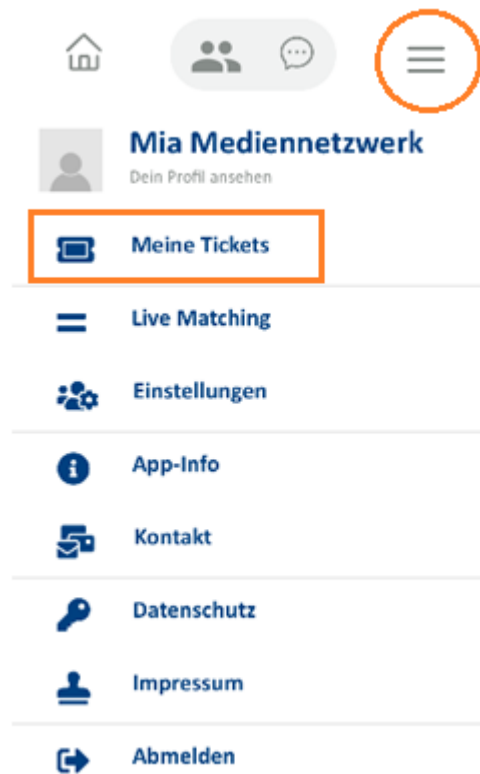

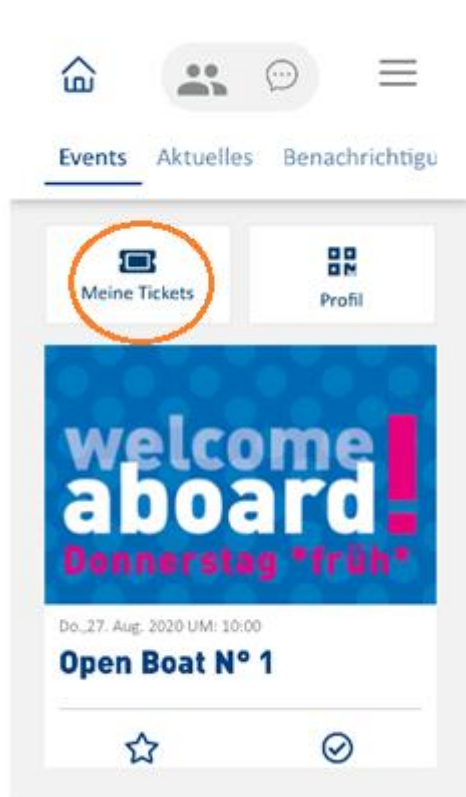

## BOOK TICKETS

After logging in you will find yourself directly in the event overview. There you can note events (asterisk) or accept them directly (tick). You can withdraw the acceptance by clicking the checkmark again. You can get more information about the event by clicking on the graphic.

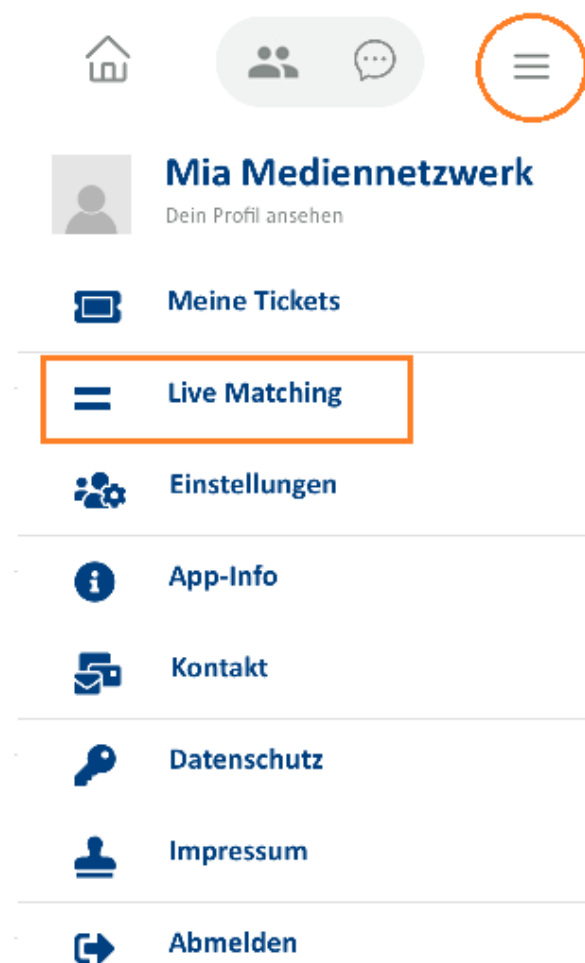

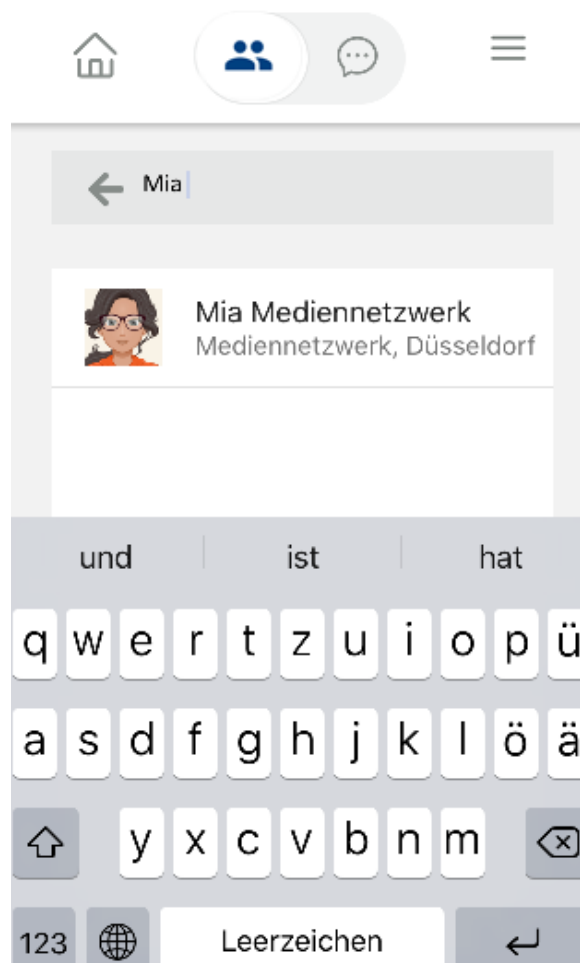

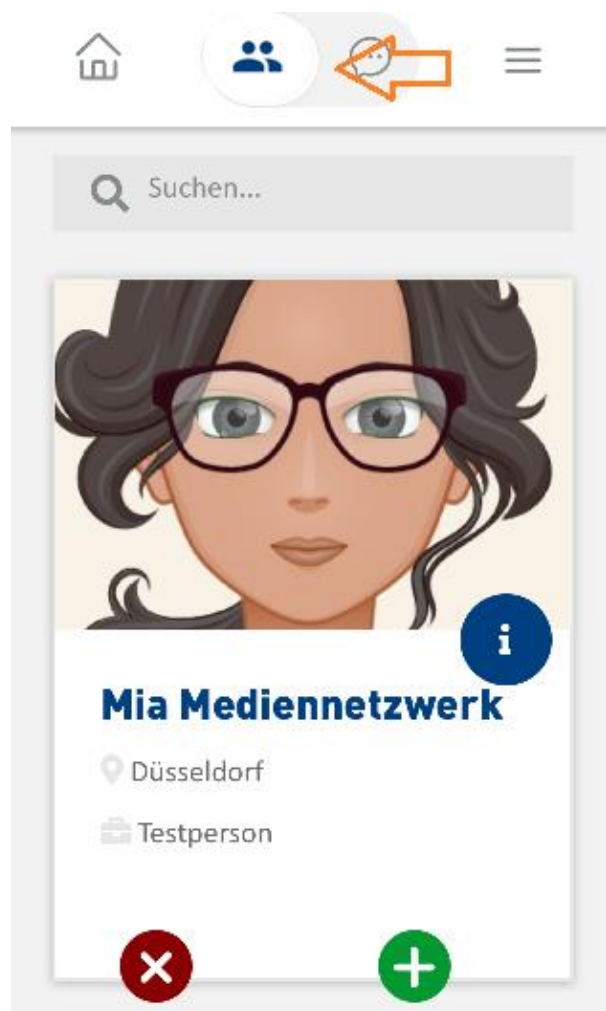

## GET YOUR TICKET

To check-in at our events, all you have to do in future is show the QR code. You can find this under Events or in the settings.

## MATCHING

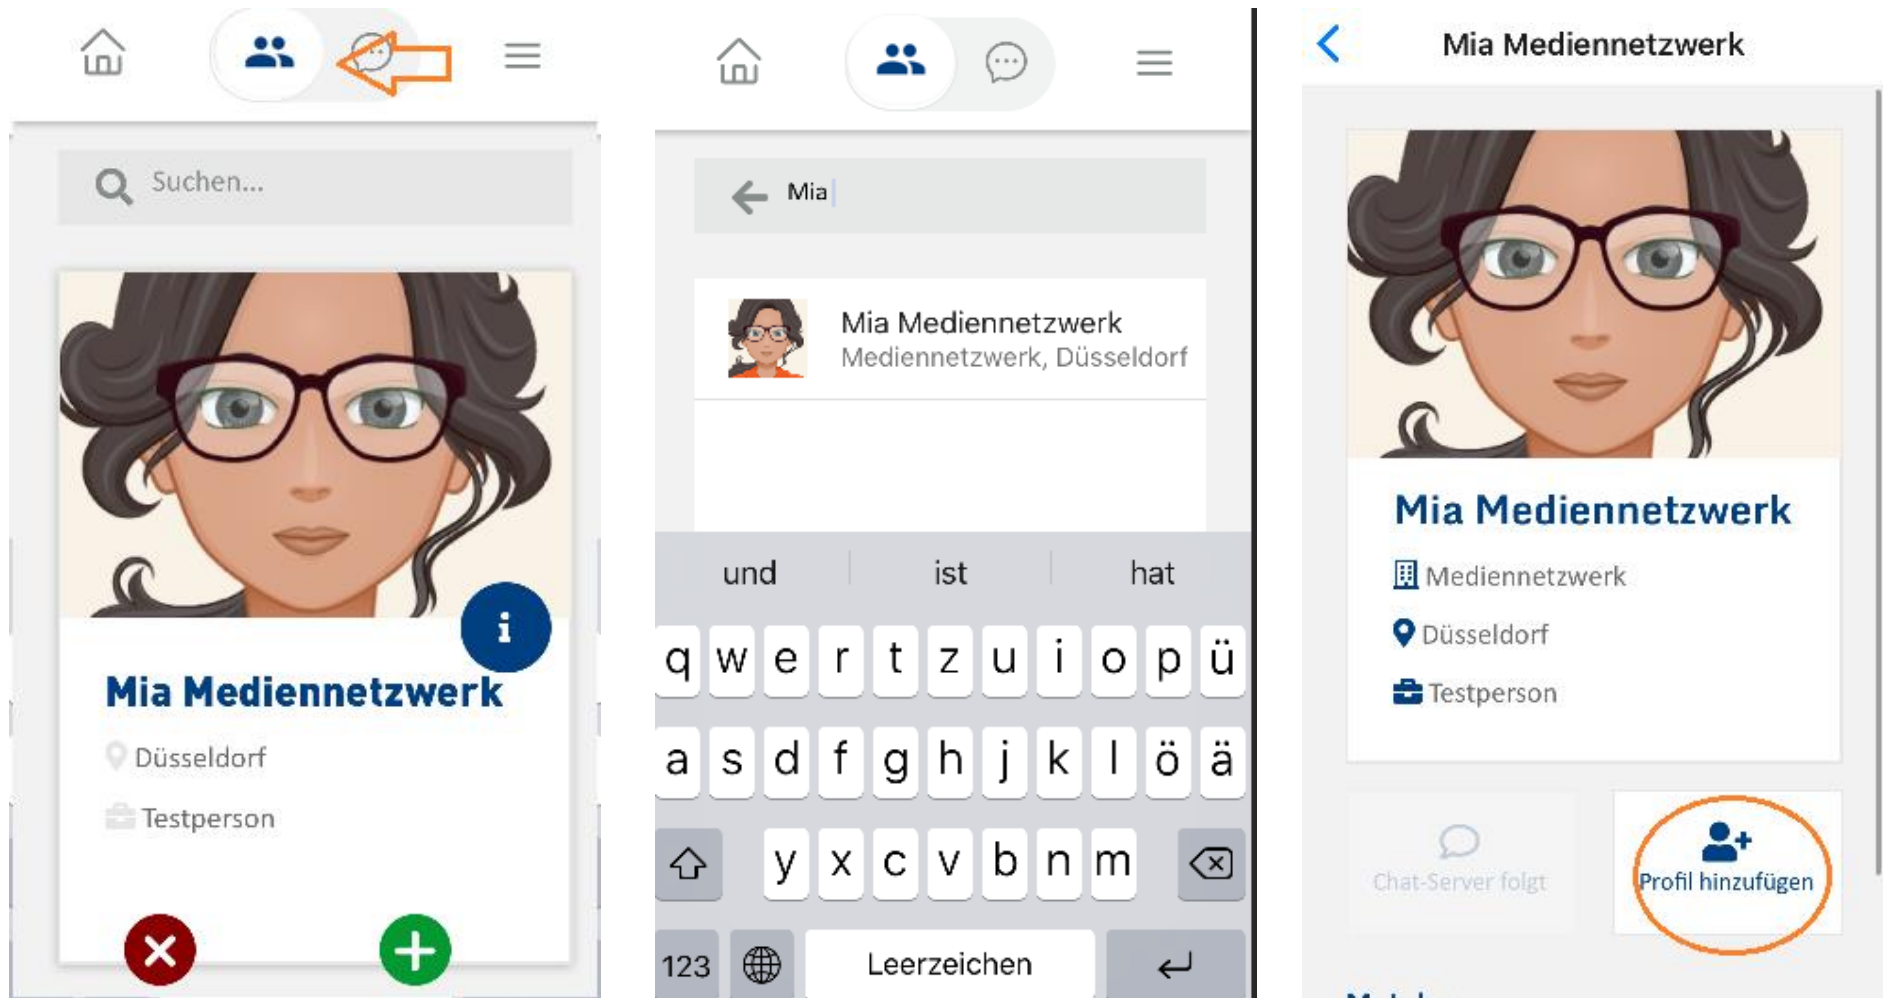

You can now network with media representatives from NRW at any time and thus advance your business. You may already be familiar with live matching from "Match Me If You Can!".

## SEARCH CONTACTS

Our network is searchable as long as your contact person has allowed visibility in the settings.

## PRIVACY

You can of course adjust your personal privacy settings at any time.
