I meet the minimum requirements for an application.
The applicant must be a company consisting of at least two natural persons. The company should have at least the legal form of a UG or GbR. In justified exceptional cases this requirement may be deviated from. The applicant's company must be assigned to the games industry and have its headquarters or a branch office in North Rhine-Westphalia. The applicant's company must be geared to an economic activity.

I have read and accept the conditions of participation.
